

It's about having the right tool for the job and [CoolToolChick.com](http://CoolToolChick.com) is the right place to find what you need. Sure, you could assemble the tools yourself by trial and error. Then, you could eventually figure out how to create beautiful jewelry. Meanwhile, your competitors have purchased a tool kit, instructional DVDs and their work is already on the market and selling like hotcakes.

Having the right tools means knowing the little tricks and shortcuts that result in beautiful, professionally finished jewelry. With a DVD, if you don't understand a step you can repeat and review the process until it is crystal clear in your mind. Cindy is a marvelous instructor in person and on DVD.

**#1** Instructional DVD #1 (36:39). Cindy's Wire Weaving #1 is divided into four parts and focuses on the simple but elegant SINGLE WEAVE and the impressive SWITCHBACK WEAVE. You'll also enjoy a chapter on FINISHING and information about Cindy's Bender.

Instructional DVD #2 (36:52). Cindy's Wire Weaving #2 is divided into four parts and demonstrates the gorgeous DOUBLE WEAVE and the unique ZIG ZAG WEAVE. You'll also enjoy a chapter on FINISHING and information about Cindy's Bender.

**#2** Instructional DVD #3 (38:22). Cindy's Wire Weaving #3 is divided into four parts and you'll delight in learning the amazing TRIPLE WEAVE and the awe-inspiring SPLIT WEAVE. You'll also enjoy a chapter on FINISHING and information about Cindy's Bender.
